

# Round Rock Area Serving Center Capital Campaign Commitment

The Round Rock Area Serving Center is constructing a new facility to house the Treasures Charity Resale Shop & Boutique. Renovations in the existing building include expansion of the food pantry and the addition of Veteran services offices. The new store will generate additional revenue that will build capacity and sustainability to increase the program services. Donations and/or pledges to this campaign can be made over a three-year period. The Serving Center is a 501(c)(3) nonprofit organization and financial contributions are tax deductible. *Thank you for your support of the Serving Center Capital Campaign to enhance the program services!*
